Incident Information

Please enter the deputy(s) / employee(s) names: Deputy Dennis Smith and Deputy Michael Rivera

Incident Location: [REDACTED]

Date of Incident: Ongoing, most recent 10/18/18

Time of Incident: Evening

Explain the circumstances on why you are paying this compliment:

I just wanted to thank Deputy Smith for his diligence, persistence and support in dealing with a very difficult neighbor situation. I am very grateful to have him supporting Loudoun County and keeping us safe. Deputy Rivera is also a wonderful asset to our neighborhood and he really cares about people. Thank you both for being there!

Morning,

I had the opportunity to work with Deputy. Smith last night

It was a frustrating situation, and took much longer than expected, but Smith comported himself with quiet compassion as he worked through the situation. His interactions with the family were also very conscientious and the family obviously appreciated his efforts and demeanor.

Smith stayed for the 'wake' and by the time he left, the family and neighbors were hugging and thanking him profusely.

Just a job well done.

10/29 and 10/30

Time of Incident:

Explain the circumstances on why you are paying this compliment:

Deputy Jones came to Belmont Ridge Middle School to present to our students on internet safety and cyberbullying. Deputy Jones is an exceptional presenter who held our student's attentions with relatable content and real life stories. Deputy Jones went above and beyond the call of duty by conducting the presentations for two straight days to approx. 480 students. What was most impressive, was that he displayed the same high level of enthusiasm from the very first presentation to the last. Deputy Jones is professional, knowledgable and embodies the best of what the LCSO has to offer.

> Dear Mr. Chapman,

>

> My brother was in distress yesterday and called me on the phone, I live in SC. I did not know, but prior to calling me, he had told someone he was thinking of taking pills to end his life, and your folks were called in. While I was on speaker phone, I heard the entire scenario of your police officers helping calm him down, speaking to him with respect, taking care to find what pills he had in the apartment, and keeping me posted of what was going on. Obviously it was stressful, but the manner in which your guys handled things was simply amazing, and I cannot thank you enough. I heard an officer named Jason take his vitals and I spoke directly to Tony Outlaw, who was calming and in control of the situation at all times. Later, Ron Colantonio called me from the hospital to let me know that brother was safe. I know you guys work hard and it is probably rare that someone takes the time to say thank you, but I really, really wanted you to know what an amazing team you have and I am grateful that they saved my brother from harm or worse. My most sincere thank you to them all, please pass this along and let them know that what they do does matter.

Major Prugh and Jacqueline,

My mother joins me in thanking you both for coming out to our home to complete the document from the Belgian pension services. Though it was a highly unusual request, you took the time and effort to address our needs. We sincerely thank you for that.

You were not only kind and professional, but compassionate and respectful. My mother was touched and honored by the gift of a coin from the Leesburg Sheriff's Office which acknowledged both my father's and mother's service to our country.

In addition, it was particularly beneficial to have Jacqueline participate. She put my mother at ease and made her smile again with her excellent use of French.

We can't thank you both enough for your assistance with our unique request for help. Please pass along our sincere thanks to the notary who's name I fail to recall at the moment. We could not have completed the task without her.

In a world where everyone is willing to tell you when you've done something wrong, I am writing to express my deep appreciation for one of your Deputys, Dep. Glover. On 10/25/18 at approximately 7:14 pm Deputy Glover responded to an unfortunate fatal tragedy concerning a Resident I was caring for at Deputy Glover went above and beyond her call of duty. I was in a state of shock and inconsolable when Deputy Glover arrived at the scene. Deputy Glover showed compassion, offering me to sit in her squad car, use her jacket and even call my family because of the distress I was under. I want to commend her calm demeanor, her reassurance and her genuine concern for me as I just witnessed a fatal tragedy. She appeared to be extremely well trained, and very compassionate and caring. I wanted to let her know how much I appreciated her professionalism during such a tragic event. I believe that so often administration only receives negative feedback. I believe that even in situations, such as this Deputy Glover is worthy of recognition especially when she went out of her way to quickly accommodate me as I was in a frantic state of shock. I really appreciate her attentiveness to my emotions and listening to me as I was overwhelmed with grief. She stood with me comforting me when I'm sure she had other tasks to do, she gave me time and listened all of my concerns. We ask so much of police officers. It is a delicate balance to come into a scene like that and take charge without demoralizing; to gather information without judging; to be strong and steady, yet tender and kind; to manage crisis and still communicate. Please extend a heartfelt thank you to her from me and share my appreciation for her service! I've mailed her a thank you card to the Sheriffs office as well.
