

West Poplar Road Project Update

As of 7:00 am Wednesday August 14, 2019 the West Poplar Road project will be substantially completed. As part of that new one-way signs will be unveiled tomorrow morning. This will formally make the roadway one-way northbound from South Sterling Boulevard to South Greenthorn Avenue. As a precaution the contractor will leave the portable message boards up at either end of the corridor to remind the public of the new traffic pattern. Please be advised the Sheriff's office will enforce the one-way restriction starting tomorrow morning.

This change was made to promote public safety for drivers, pedestrians (particularly children walking to Guilford Elementary School), and to allow for emergency vehicular access via a dedicated fire lane.

Thank you,
