OFFICER TOY as well as the other on duty officers.

Date of Incident:

Time of Incident:

ADULT DETENTION

Explain the circumstances on why you are paying this compliment:\*

I have a family member that is currently being detained in the aboved mentioned facility. Although its a very uncomfortable situation to visit him, the officers who have the task of overseeing the visits seemed to be caring and thoughtful without condescension . I especially like to compliment Officer Toy who greets everyone in line with a cheerful attitude and witty words that make the visit more tolerable. Officer Toy also went above and beyond in not only helping to locate some notarized documents but had them ready for pick up when I was done visiting. In times like these when there is so much tension between the " protectors" and the" protectants" its a blessing to know that Loudoun County's Sheriffs Department is doing its part by hiring sensitive empolyees such as Officer Toy and the team of individuals working during those visiting hours.

I am thankful for good cops like Officer Diaz pictured here who took time out of his day to talk to Emma and James on Saturday at the Alamo Theater. Please tell him thank you from the Nicholson family of Leesburg, VA. My kids were tickled pink to talk to Officer Diaz. You guys are awesome and I want to thank you all for the great job you do.

Regards,

Please feel free to share, I did not see an option for a public post. A huge thank you to your office and especially to your officer that responded to my truck and trailer broken down on route 15. It was a very stressful situation and your officer was professional, courteous, caring and he went above and beyond the call of duty to get us safely on our way. Thank you so very much!

FROM:

Marcia Weidner
Round Hill, Virginia

Dear Chief:

I am writing to inform you that Marcia Weidner, one of your constituents and a supporter of MADD's Campaign to Eliminate Drunk Driving®, fully supports all your efforts to enforce Virginia laws against drunk driving and underage drinking in the Round Hill area.

You and your officers are on the front line in combating the terrible crime of drunk driving. As you may know, more than 10,000 families lost a loved one last year in crashes caused by drunk drivers, and about 290,000 people were seriously injured. You have my complete support as you work to enforce existing laws, get drunk drivers off our roads, and save lives.

**MADD is continuing its Campaign to Eliminate Drunk Driving, supported by the International Association of Chiefs of Police (IACP), with the goal of giving you more tools to keep Round Hill and Virginia streets and highways safe.**

Intensive high-visibility law enforcement, including twice-yearly crackdowns and frequent enforcement efforts that include sobriety checkpoints, are vitally effective techniques proven to get drunk drivers off the road, and they are essential components of MADD's Campaign to Eliminate Drunk Driving.

Please convey to your entire department our appreciation and gratitude for your service and the protection you provide to the citizens of Round Hill.

*Please sign here. Thanks,*

Dear Sheriff Chapman,

I am pleased to announce that North Spring Behavioral Healthcare has received approval for our 25 bed COPN application from the Virginia Commissioner of Health. Your letter of support was integral in aiding our application. Strengthening the infrastructure of mental health services in Northern Virginia is an important mission. We are focused on expanding the continuum of services that we offer at North Spring and believe that provision of these critical services to children and families is one of the most important things that we should do as a society. We very much value our being a part of such a great community. We would also like to point out that a strong and successful behavioral health program requires collaboration between the provider and the community stakeholders. Your letter of support has helped lay the groundwork for that collaboration, and we look forward to strengthening that collaboration throughout the development process of our inpatient acute program. Thank you for your support as we embark on this significant community investment for the behavioral healthcare needs of the children and families of Virginia.

Sincerely,

### **Commendation to Michael Chapman for work as a Sterling Teen Job Fair Partner.**

Dear Sheriff Chapman,

Thank you for helping to make my 7<sup>th</sup> Annual Sterling Teen Job Fair an amazing success!

Your participation and support was critical to this wonderful event. This year, over 600 teens and hundreds of parents, siblings, volunteers and neighbors (well over 1,000 total) attended the Sterling Teen Job Fair! We were honored by elected officials from two counties, numerous news blog postings, and two NBC TV news broadcasts promoting it.

You were the most important part of the key leadership that made this entire project a huge success. It would not have been a success without your decision to help and your follow through. I am sure it is routine top of the line devotion to your community, and that is why I called you in the first place.

Now I know how much of an impact you have by your selfless devotion based on the enthusiastic appreciation being expressed by grateful job applicants and parents and company representatives. I am passing on the many expressions of appreciation directly to you and recognize that you do this every day with everybody else that comes into your life. And there is another big result again of your leadership. A thousand people get to work on a common goal, teen employment, again this year with your help and so your effort makes the larger project possible. Thank you again for making that happen.

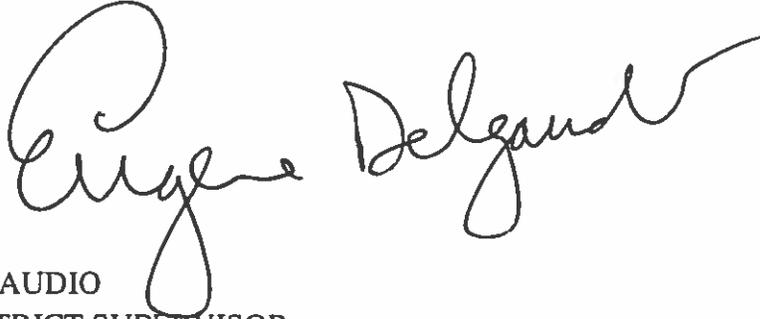

The Sterling Teen Job Fair is always one of the highlights of my year and that of the Sterling community. Communities are always most prosperous when all the people have jobs, and together we've just helped many teens to get their all-important first job. Years and years from now, your help this past Saturday will long be remembered by me and many young people whom

you helped to get a job. Thanks to you and the help of other volunteers, Sterling and Loudoun County are much better off for this.

If I can be of assistance to you in return at any time of the day or night, please do not hesitate to let me know. I can be reached in my office at 703-771-5819, or via email at [Eugene.Delgaudio@loudoun.gov](mailto:Eugene.Delgaudio@loudoun.gov).

Thank you again!

Sincerely,
