## Keep Loudoun Beautiful (Non-profit Organization)

January 27, 2020

[Keep Loudoun Beautiful](#) (KLB) is a local nonprofit, all volunteer organization. In existence since 1972, their mission is to maintain a safe, clean, and healthy Loudoun through educational outreach, litter prevention, and cleanups.

In 2019, KLB collected 330 bags of recycling, 629 bags of trash, 234 tires, and a bunch of other bulky items from Loudoun roads, open spaces, and waterways. During the last year 1,023 volunteers invested 2,765 hours participating in clean up events!

Here are a few ways residents can help:

- 1) **If you see a Loudoun street or open space that is littered and requires clean up, please let KLB know** so they can dispatch some volunteers to help (send an email to: [info@keeploudounbeautiful.org](mailto:info@keeploudounbeautiful.org) or call 703-475-0202).
- 2) **Set an example.** Reducing the amount of trash generated is the most important way to reduce litter in the county. Using refillable water bottles instead of single use disposable bottles, and reusable grocery bags instead of single use disposable plastic bags are just two examples of how you can help.
- 3) **Support projects that help Loudouner's Reduce, Reuse, and Recycle.**
- 4) **Participate in KLB sponsored educational or clean up events in your community.** In April, KLB celebrates Keep Loudoun Beautiful month, along with Earth Day and they will be sponsoring events across the County.
