Loudoun County Accepting Donations of Personal Protective Equipment for Distribution

Loudoun County is accepting donations of personal protective equipment (PPE) and distributing the supplies to Loudoun-based health care providers and facilities in need. Personal protective equipment may include: surgical masks, N95 respirators, disposable gowns, face shields, coveralls, gloves, and hand sanitizer.

The county is not able to accept homemade equipment, such as homemade masks.

The county is also fielding requests from Loudoun-based health care providers and facilities in need of personal protective equipment. Requests can be made through an online form [here](#).

New Searchable Jobs Portal Shows All Available Careers in Loudoun County

**LOUDOUN
VIRGINIA**
ECONOMIC DEVELOPMENT

Loudoun Economic Development has unveiled a jobs portal that aggregates and filters all positions currently open in Loudoun County.

The portal pulls in listings from more than 10,000 public job boards, providing a comprehensive tool for finding a job in Loudoun County.

Businesses do not have to do anything extra in order to be listed, as the portal pulls from most publicly available job advertisements.

Daily updates at midnight provide real-time job data, and positions that are no longer available will be automatically removed from the search results.

Applause for First Responders and Healthcare & Essential Workers

Members of the Sterling community have created an event to show appreciation and support of our community's healthcare workers and first responders during these difficult times.

Just step out into your backyard/front porch/balcony/whatever and send out some applause or a few shouts for our Sterling first responders and healthcare workers.

Please share this event info and encourage your friends and family to participate this Friday!

Loudoun County Announces Additional Transit System Reductions Beginning April 2

Due to ridership declines as a result of the ongoing efforts to slow the spread of COVID-19 and the governor's directives for Virginians to stay home, Loudoun County Transit is making changes to the Local Fixed Route Service.

Over the coming weeks, Loudoun County Transit will continue to monitor ridership and services for

possible additional changes.

Stay up to date about any service changes or modified schedules at loudoun.gov/buschanges.

Inova Health Foundation: How Can I Help?

Here are some ideas for ways you can support Inova at this time.

STAY INFORMED

Check the Inova website regularly for up-to-date community information related to COVID-19. Visit www.inova.org.

DONATE BLOOD

Blood supplies in the region are running low – it is still safe to give blood. Follow this link to learn more and to schedule an

appointment with Inova Blood Donor Services: www.inovablood.org.

SUPPORT INOVA'S EMERGENCY PREPAREDNESS FUND

Inova's Emergency Preparedness Fund helps ensure that we have a ready source of flexible funding to meet the community's escalating healthcare needs during a crisis, both now and in the future. Today, the fund is helping to cover outlays for additional staffing, specialized equipment for the unique needs of COVID-19 patients, increased services for telehealth and homebound patients, and other resources to address the rapidly-changing situation.

Please consider supporting the evolving needs of our community with a donation to Inova's Emergency Preparedness Fund at www.inova.gives/EPF.

DONATE SUPPLIES

Inova is prepared to manage this pandemic, but we welcome the community's help to ensure that our healthcare teams have an ample supply of personal

protective equipment and other materials when shortages arise. If you have items to share, contact us at inovadonations@inova.org to make a donation.

Currently, Inova is accepting donations of the following:

- Masks (unused) At this time, we are not accepting homemade masks of any kind.
- Goggles
- Hand sanitizer
- Face shields
- Paper disposable gowns
- Gloves
- Bleach/bleach wipes

SHARE A NOTE OF GRATITUDE

We welcome the community's messages of gratitude to share with our hardworking healthcare team members who are being called on to work extra shifts to care for our patients. To send a message to our care teams, send an email to foundation@inova.org or [follow this link](#).

SHARE THIS INFORMATION

We encourage people to stay home and socially distance, but you can seek out new ways to stay connected with your loved ones and community during this time. Please help spread the work by sharing the "How Can I Help?" links from this page with your networks and social media channels.

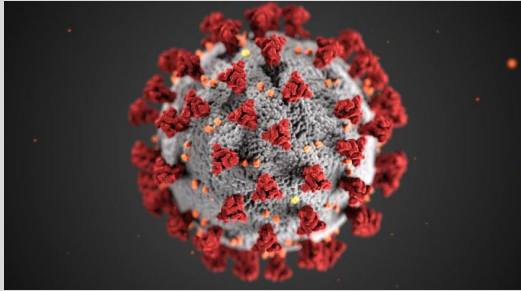

MAINTAIN GOOD RESPIRATORY HYGIENE

Infection prevention for any illness begins with improved personal hygiene practices including:

- Wash your hands frequently (20 seconds with soap and water)
- Disinfect household and food preparation surfaces
- Minimize touching your face
- Avoid close proximity with anyone who is ill and exhibiting symptoms
- Acknowledge people verbally instead of shaking hands or hugging
- Cover your nose and mouth when sneezing or coughing

Stay Informed!

Keeping with the Board of Supervisors' policy, regularly scheduled meetings of the Board's [advisory boards, commissions and committees](#) are canceled while Loudoun County Public Schools are closed. The county will provide updated information on meeting status as this rapidly evolving situation continues. For the most current schedule, please visit loudoun.gov/calendar.

The county continues to encourage everyone in the community to take steps to limit the spread of COVID-19, which include:

- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer only if soap and water are not available.
- Avoid touching your eyes, nose and mouth.
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing.
- Clean and disinfect frequently touched objects and surfaces.
- Stay home when you are sick.
- Avoid contact with sick people.
- Avoid non-essential travel.
