Loudoun Installs Wi-Fi Hot Spots to Help Western Loudoun Residents During COVID-19 Pandemic

24x7 Wi-Fi Hot Spots Begin April 13th, Outside the Purcellville, Middleburg and Lovettsville Libraries

Sent: April 10, 2020

Loudoun County is offering new Wi-Fi hot spots for residents in western Loudoun. The county has worked to amplify the Loudoun County Public Library's Wi-Fi signal so that it is available to access in the parking lots immediately adjacent to the Lovettsville, Middleburg and Purcellville

libraries.

Residents who have no reliable internet service are encouraged to use the free Wi-Fi to access information about COVID-19 and complete any other type of essential online business, such as ordering groceries or other household supplies. Residents are asked to stay in their vehicles in order to maintain the physical distancing needed to mitigate the spread of the novel coronavirus. Users of the service who are not in vehicles are also asked to maintain a distance of approximately 6 feet from others.

The name of the network is **LibraryWiFi**. **No password required**, although users will need to click "accept" on the landing page.

The Wi-Fi hot spots are expected to be operational Monday, April 13, 2020. Service will be available 24 hours a day, seven days a week.

Loudoun County encourages residents to stay informed about COVID-19.

- Visit loudoun.gov/coronavirus for more information about how to protect yourself and your family and to sign up for email and text updates on COVID-19.
- Text LCCOVID19 to 888777 to receive text alerts from Loudoun County about COVID-19.

Residents with questions about COVID-19 may call the Loudoun County Health Department's information line, 703-737-8300, or send an email.
