In Historic District Now

Unanimously Supported by Board on 4/7/2020

Motion: I move that the Board of Supervisors initiate A Zoning Map Amendment to add two county owned properties, identified as PIN # 361455744 and PIN # 361458246, into the existing Historic District of the Village of Aldie.

Last June I **informed** you of the Board's success in securing an alternate site located outside of the Village of Aldie as home for the replacement Aldie Volunteer Fire Station.

This morning I want to share additional progress to further protect the previously considered site located within the Village of Aldie, through approval of a Board initiated Zoning Map Amendment process with the goal of expanding an existing Historic District to include all three County owned parcels previously considered to house the new Fire Station.

At the request of multiple Village residents and businesses, along with the Aldie Heritage Association, the Mosby Heritage Area Association and other local preservation organizations, Chair Randall and I brought forward a Board Member Initiative to "initiate a Zoning Map Amendment to add two county owned properties, identified as PIN #361455744 and PIN #361458246, into the existing Historic District of the Village of Aldie". I'm happy to report that Board of Supervisors unanimously supported the above Motion at the Board's April 7, 2020, Business Meeting.

I look forward to keeping you informed on this initiative as additional updates become available!
