Job Seeker Support Group: This twice monthly group session (1st and 3rd Mondays of the month) is a virtual opportunity for job seekers to gather and serve as a source of support for one another in a group format and create a sense of community. In these staff facilitated sessions, participants will have the opportunity to address job seeking strategies and obstacles through open discussion, active engagement, and a general willingness to participate.

Ground Rules for Participation:

1. Be on time to the session. The meeting will be locked 10 minutes after the scheduled start time.
2. Our focus is on job search experiences, ideas, and strategies.
3. This is everyone's session. Everyone participates fairly and constructively.
4. Be respectful of each other's experiences and comments.
5. To benefit from continuing group discussions, this is a commitment until employment is secured.

Pre-requisites:

You must have attended no less than two workshops offered by the LWRC or completed an appointment with the Employment Coach. If you've not met either of these requirements, you must complete and submit a [Resource Navigator Inquiry](#) form.
